

Safe. Smart. Simple.

Achieve more with your
business travel in a safe,
smart and simple way.

We see business travel as an opportunity to grow your company success. With a return on investment of 1:11 euro*, business travel is a rewarding activity for your company. But to make most of what you spend on business travel, you'll need the right products, service and guidance.

That's why we're here. With innovative products, reliable service and experienced people we make business travel safe, sustainable, highly rewarding and above all, simple and easy for everyone in your company.

Safe and sustainable business travel.

The business travel industry is constantly changing. New suppliers, new options, new channels or platforms to book and manage your trips. Also other factors, like travel risks, are driving change and impacting many that book or manage business travel. Get the support you need to take action in every stage of the business trips and keep your travelers safe and sound.

Pre-trip approval

Our built-in trip approval process lets you take fast action to prevent your employees from traveling to high-risk countries.

In-app risk alerts and 'I'm safe' feature

Our travel app warns for incidents and lets travelers inform you they're unharmed with the 'I'm safe' feature.

24/7 emergency service

24/7 support from experienced agents to get your travelers to their destination, or to their family and friends at home.

Interactive traveler care platform

Run traveler safety reports or use the interactive map to localize your travelers in need and contact them directly by email or text.

Travel the world, sustainably.

With sustainability at the core of everything we do at BCD Travel Direct, we take the impact of business travel on our planet very seriously. That is why we help you make 'green' choices for your business trips with built-in CO₂ emission displays on each flight option and useful CO₂ travel reports.

High-rewarding business travel.

With smart products and services, you'll save time and money when booking trips and traveling the world. With powerful technology such as our self-service platform you save with every booking your travelers make. At the same time, it helps you to keep overview of travel costs and stop missing any spend.

With our self-service platform, your travelers don't have to search and book anywhere else. But we also help you let them follow up on the rules your company set for business travel. We'll integrate your travel policy directly in our self-service platform.

Always the best deals.

As part of BCD Travel, we're using our buying power to get you the best deals for your business trips. Choose from millions of travel options for your business trips, because of our direct connections and partnerships with traditional airlines (such as KLM, Lufthansa), low-cost carriers (like Ryanair, EasyJet), rental car companies, hotel chains and accommodation providers like Booking.com, Expedia and HRS.

Report. Analyze. Save.

Finding new ways to save costs is easy. Our travel reports help you visualize your expenditures and bookings. Analyze them and find new saving opportunities in no time. Our customer success managers are there to help you with expert advice and support to achieve even more.

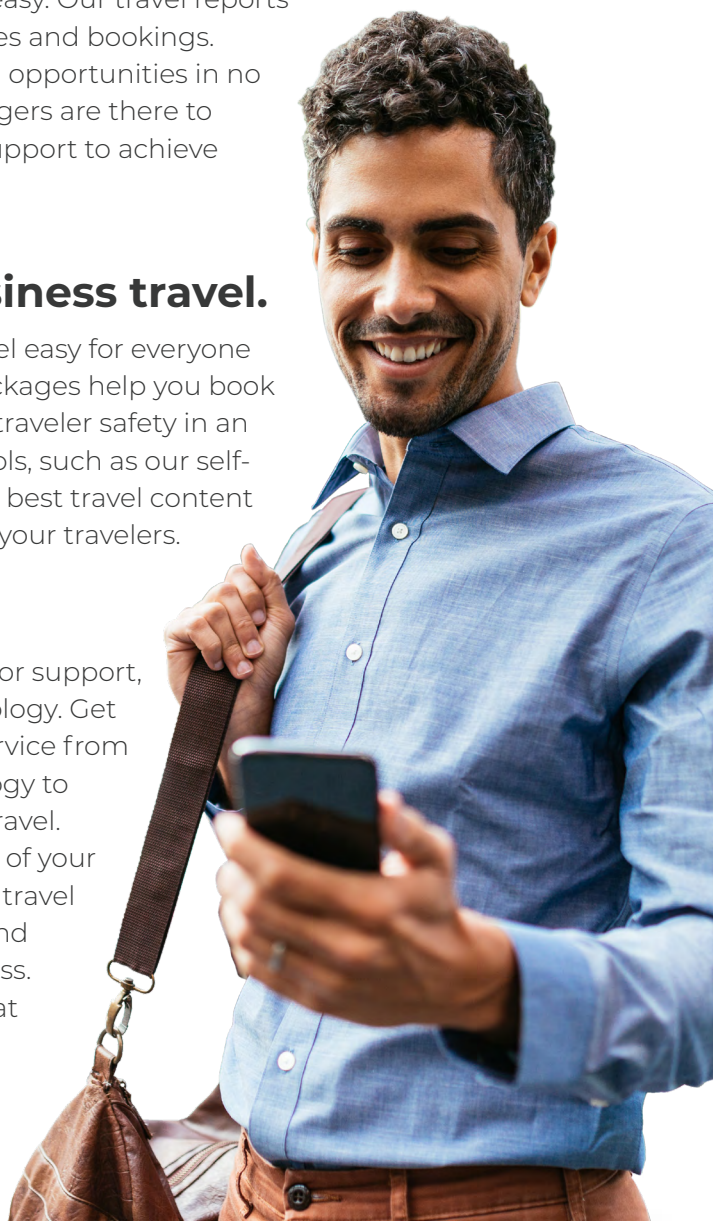

Simple and easy business travel.

Make booking and managing travel easy for everyone in the company. Our complete packages help you book travel, manage spend and ensure traveler safety in an easy and effective way. Intuitive tools, such as our self-service platform, and access to the best travel content makes all this a real time-saver for your travelers.

Don't settle. Get it all.

Don't settle for self-service with poor support, or great service but lacking technology. Get the best of both worlds: reliable service from real experts and powerful technology to book and manage your business travel. Our experts help you get the most of your business trip, and even your entire travel budget. They know their way around in travel like no other in the business. Soon, you wouldn't even know what you'd do without them.

Plans

All our plans are based on a membership fee, and fee for air/rail. Hotel and rental car bookings are always free of charge.
